# LORD WENSON A. MANAGAYTAY

mlordwenson@gmail.com | github.com/lordy2006 | Cebu, Philippines

## PROFILE

Detail-oriented Bachelor of Science in Information Technology (BSIT) student at the University of Cebu — Main Campus. Passionate about building practical desktop applications, relational databases, responsive web pages, and network topologies. Strong problem solver with hands-on experience in Python, C#, Java, HTML/CSS, and SQL.

## EDUCATION

**COLLEGE**
**University of Cebu — Main Campus** — Sanciangko St., Cebu City, Philippines
Bachelor of Science in Information Technology (BSIT) — Aug 2024 – Present

**SENIOR HIGH SCHOOL**
**Tubod National High School** — Minglanilla, Cebu City, Philippines
General Academic Strand (GAS — 2022 – 2024

## TECHNICAL SKILLS

- **Languages:** C# (.NET / WinForms), Java (Swing, OOP), Python, HTML5, CSS3
- **Databases:** MySQL / MariaDB (XAMPP), Microsoft SQL Server, ADO.NET
- **Developer & Network Tools:** Cisco Packet Tracer (VLANs, Routing), Git, GitHub, Visual Studio, VS Code

## ACADEMIC PROJECTS

**Grab'n'Eat Canteen POS System |** C# (.NET), WinForms, MySQL
- Role: Lead UI/UX Designer & Developer
- Designed a desktop Point-of-Sale application featuring cashier authentication, automated order totals, and database transaction logging.
- Bound user interface elements to a MySQL database using ADO.NET for real-time menu and sales tracking.

**SJF CPU & Memory Simulator |** Java, Java Swing
- Role: Backend Logic Developer
- Implemented an Operating System simulator executing Shortest Job First (SJF) process scheduling algorithms.
- Programmed dynamic memory allocation logic and visual execution tracking queues.

**2D Arcade Surf Game** | Java, Java Swing, OOP
- Role: Lead Front-End Developer
- Programmed a 2D desktop surf arcade game with player movement controls, obstacle collision detection, and shield/speed power-ups

**Desktop Accounting Management System |** C# (.NET), WinForms, SQL Server
- Role: UI Designer & Developer
- Built a desktop financial ledger tracking application with user login security and DataGridView financial reporting.

**Cafe Essence Coffee Website |** HTML5, CSS3
- Role: Solo Front-End Developer
- Developed a responsive web application featuring custom card grid layouts, styled menus, and clean UI navigation**.**

**Interactive Web Application Prototype |** Microsoft PowerPoint, UI/UX
- Role: Systems Analyst & Prototype Designer
- Created interactive clickable wireframe mockups showcasing multi-page user navigation and login flows for Systems Analysis & Design (SAD).

## INTEREST & ACTIVITIES

- **Analytical Problem Solving:** 3x3 Rubik's Cube solver (spatial reasoning & pattern recognition).
- **Strategic Teamwork:** Tactical gaming in Call of Duty: Mobile (CODM) and Mobile Legends: Bang Bang (MLBB).
